

Horizontální vyvrtávačky > stolové > WHN 10 CNC

Inv. číslo:	106511
Typ:	WHN 10 CNC
Parametry:	100 mm, 1000x1120 mm
Výrobce:	Tos Vansdorf
Rok výroby/SO/GO:	1991/-/2019
Lokalita:	Česká republika
Popis:	Machine with a total of 5 axes, 4 of which are controlled and 1 manual. Total GO with modernization 12/2019. Manufacturer: Tos Vansdorf. Technical condition: 100%. Control system: Heidenhain TNC 640. Drives: digital. Working spindle diameter: 100 mm. Spindle taper: ISO 50. Spindle speed: 10-1800 min ⁻¹ . Main motor power: 22kW. Cross table travel X: 1250 mm. Longitudinal travel Y: 970 mm. Vertical travel Z: 1120 mm. Spindle travel W: 630 mm. Rapid traverse in X, Y, Z coordinates 8000 mm min ⁻¹ . Table clamping surface: 1000 x 1120 mm. Maximum workpiece weight: 3000kg. Machine weight: 13.400kg. The horizontal boring machine on the picture is the last one completed.
