

## Pálící stroje > lasery > LC3015 X1 NT CNC

|                   |                                                                                |
|-------------------|--------------------------------------------------------------------------------|
| Inv. číslo:       | 107359                                                                         |
| Typ:              | LC3015 X1 NT CNC                                                               |
| Parametry:        |                                                                                |
| Výrobce:          | Amada                                                                          |
| Rok výroby/SO/GO: | 2006/-/-                                                                       |
| Lokalita:         | Česká republika                                                                |
| Popis:            | Zdroj 4kw, stůl pro plechy 1,5x 3m, výměnný stůl. V současné době demontovaný. |
